

Wiring Instructions

For Coastline to receive a wire, the sending financial institution may need the following information:

Financial Institution: **Coastline Federal Credit Union**

Address: **4651 Emerson St.
Jacksonville, FL 32207**

Phone Number: **(904) 346-1700**

ABA / Routing Number: **263079409**

Final Credit: **Member Name
Account Number**

Please note: Coastline does not have a Swift Code, IBAN, or other international routing code, nor do we have a correspondent bank. Your international financial institution will have a corresponding bank in the U.S. they can wire funds to, which will forward the funds to Coastline using our ABA routing number.
